

Sproutamins Alfalfa Sprouts

Our Gourmet Exotics: Alfalfa Sprouts:

Try our fresh new Alfalfa sprouts in a never before combinations for your morning sandwich or an exciting mid-day snack.

Enjoy the taste of these sprouts adding newness to your existing cuisines. Feel their lightness after a meal. Create interesting gourmet specials in your kitchen and thrill your guests. Salad up alfalfas and fulfill your daily 5 servings of vegetable-fruit needs with these healthy sprouts loaded with anti-oxidants, natural vitamins and minerals. Use them in your tiffin box wraps and rolls, snacking on a healthy guilt-free option.

Their crunchy texture adds mystery to your meals, pleasing you in your meal accompaniments.

Our Colorful Alfalfa Sandwich:

In between brown bread or any bread of choice, place onion rings, tomato-cucumber slices, dressing of your choice (peanut butter, mayonnaise, coriander-mint chutney), top with alfalfa sprouts and enjoy your delicious 'on the go sandwich'.

Our other gourmet health specials you should taste and enjoy: Radish Sprouts, Onion Sprouts, Sunflower shoots and other tantalizing microgreens.
